

COLLECTED REF.NO:	LOCATION OF COLLECTION	IDENTIFICATION and DETERMINATION	
		ORDER & FAMILY	SPECIES & AUTHORITY
<u>D.R. Collins and S.A. Birrell</u>			
30.11.63 DRC/4	<u>Quaking House Cave</u> SS(5) NGR 31/104 258. OD 480ft Th. and also deep inside cave.	INSECTA DIPTERA Mycetophilidae	<u>Speolepta leptogaster</u> larva. Winn: Det. Dr. Freeman
30.11.63 DRC/5	<u>Quaking House Cave</u> SS(5) NGR 31/104 258. OD 480ft Th. 30ft from entry. Wet.	MYRIAPODA DIPLOPODA ASCOSPERMOPHORA Brachychaeteumidae	<u>Polymicrodon polydes-</u> <u>moides</u> (Leach) imm: Det. Dr. F.A. Turk
30.11.63 DRC/6	<u>Quaking House Cave</u> SS(5) NGR 31/104 258. OD 480ft 30ft from entry near small rock pool.	ANNELIDA OLIGOCHAETA Lumbricidae	
30.11.63 DRC/8	<u>Quaking House Cave</u> SS(5) NGR 31/104 258. OD 480ft D.Z. At end of small side passage, 120ft from entrance about deepest part of cave.	MAMMALIA (Bones)	a) <u>Oryctolagus cuniculus</u> 2 isolated teeth of v. young rabbit. b) <u>Rattus of norvegicus</u> mandible of Brown Rat Det. Dr. K. Kowalski
30.11.63 DRC/9	<u>Quaking House Cave</u> SS(5) NGR 31/104 258. OD 480ft In small passage parallel with cliff face. 10ft in, appeared to be caught in spider web, dead, covered in mould.	INSECTA DIPTERA Helomyzidae	probably <u>Leria</u> sp. Det. Mr. C.N. Colyer.
8.12.63 DRC/10	<u>Holwell Cave</u> SS(5) NGR 31/211 340. OD 620ft Near stream. Andrew Crosse's Chamber. D.Z.	MYRIAPODA DIPLOPODA ASCOSPERMOPHORA Brachychaeteumidae	<u>Polymicrodon polydes-</u> <u>moides</u> (Leach) ♂ & ♀ + <u>in copulo</u>
8.12.63 DRC/11	<u>Holwell Cave</u> SS(5) NGR 31/211 340. OD 620ft In small side passage deep in cave. D.Z.	INSECTA DIPTERA Sciaridae	<u>Bradysia</u> sp. larva Det. Dr. Freeman
<u>D.B. Driver</u> Freshwater Biological Association. (Records omitted from earlier numbers of the Cave Research Group, Biological Records)			
8.11.59 DD/1	<u>Un-named Cave</u> MY(64) NGR 34/632 915. OD 1000ft Th: On top of E. face of Gordale Scar. In sieved mud, 3 yards from cave entry. 1 specimen.	ARACHNIDA ACARI TROMBIDIFORMES Halacaridae	<u>Soldanellonyx monardi</u> Walter Det. Mr. T. Gledhill
